Arvada Community Garden
25th Annual Open House

Saturday August 15, 2020 9195 W 57th Ave 11:00 A.M. to 2:00 P.M.

The Arvada Community Garden is celebrating their 53rd year of service to the Arvada community. They will be holding their 25th Annual Open House on Saturday August 15th from 11:00 A.M. until 2:00 P.M. at the Community Garden.

The Community Garden of 100+ plots is located at 9195 W 57th Ave, 57th and Garrison in Arvada. It is operated and maintained by community garden members who enjoy gardening, don't have a yard or who don't have enough room or who just enjoy the social environment. For a nominal fee each year they receive a 12' x 22' plot, ditch water, sunshine, rototilling, tool usage, greenhouse space, plants and seeds, off-season storage, garden classes, community events, plenty of free advice and a sense of cooperative spirit and community.

Schedule:

11:00 a.m.	Opening and first garden tour begins and then about every 30 minutes
11:30 a.m.	First door prize drawing and then about every 30 - 45 minutes
12:00 p.m.	Lunch will be served.
1:30 p.m.	Final door prizes, put-n-take table and tours

Because of the Covid-19 pandemic, this year's open house will be a little different. There will be no potluck provided by gardeners, instead the event will be catered and served by the garden. In addition to the hot dogs on the grill and plot-to-pot corn-on-the-cob, there will be potato salad, cole slaw, cookies, chips and drinks, all served by the gardeners. The PUT-N-GIVE Table will be open – gardeners will PUT vegetables on the table to GIVE to the guests. There will be tours of the community garden, free advice on gardening in Arvada's climate, a contest where attendees will be the judges and will select the best looking plots, free garden tools and gift bags for the kids, free vegetable and flower seeds and free herb plants, a scavenger hunt in the garden, and door prizes from local merchants.

Due to Covid-19 restrictions, guests will be required to give their contact information for Contact Tracing, wear a mask except when eating and practice social distancing at all times. The event will be limited to 175 guests in the garden at any one time. For more information, check the website: www.arvadagardeners.org
